

An exciting new fundraiser is on the horizon, and we're jazzed to partner with you!

Raise a glass and make a difference! Transform your corkage fees into a meaningful contribution by donating a portion to KCAT. Through our "KORKS for KCAT" initiative, your generous corkage fee donations will support our local non-profit TV and radio station, enhancing the experience of your customer's favorite wine while benefiting the community.

Celebrating 40 years, KCAT TV & Radio proudly broadcasts government meetings bringing transparency to our community; provides media education to hundreds of youth, teens, and adults 55+ at popular year-round camps and classes; livestreams community events such as graduations and parades; and produces original local TV and podcast content.

It's easy to support KORKS for KCAT!

- 1. Choose a month (July, August or September)
- 2. Promote the program in your restaurant
- 3. Donate the corkage fees to KCAT TV & RADIO

Are there benefits for our restaurant? Yes!

- KCAT will publicize our partnership on TV and all media platforms
- Recorded thank you promos will air during KCAT podcasts
- Promotional print materials (table cards, window decals) will be provided to you
